

## A Sample of Some of the Topics Discussed During the Annual Forecast Consultation

### Example Chart: Princess Diana (July 1981 – July 1982)

#### Main Astrological Indicators – 1 July 1981 to 30 June 1982

##### Firdaria

The word Firdaria comes from the Arabic al-Fardar, which means planetary period. The Firdaria indicates the main trends and influences of a given period in your life.

On your 18<sup>th</sup> birthday you commenced your Mercury Firdaria. This is a planetary period which lasts for 13 years. Mercury, in your horoscope is placed in your 7<sup>th</sup> House of marriage. It is also the planetary ruler of that house and the 9<sup>th</sup> House of travel, spirituality and higher learning. All of these matters dominate the 13 year period of the Mercury Firdaria. Consequently, Mercury's influence is pronounced during this 1981 – 82 period, the time frame of this report.

Throughout 1981 and 1982 expect your mind to be occupied with thoughts on marriage, travel, learning, philosophy and relationships with other people, including the public. ***(NB. 1981 is the year that Diana wed Charles. Note, as an aside, that Diana's Sun is placed in her 7<sup>th</sup> House of marriage. The Sun represents people in power and authority, including royalty and the aristocracy. The type of man Diana was destined to marry was someone who has power and position in society. Further, by marrying Charles, Diana became an international figure overnight and travel dominated the early years of her marriage [9<sup>th</sup> House ruled by Mercury]).***

Every major Firdaria period is further sub-divided into Sub-Firdarias. From May 1981 to March 1983 the sub-period is Mercury/Moon. The Moon in your natal chart is placed in your 2<sup>nd</sup> House and has rulership of your 8<sup>th</sup> and 5<sup>th</sup> houses. Both the 2<sup>nd</sup> and 8<sup>th</sup> houses are associated with financial affairs, namely your own money and the partner's own money. Anticipate a defining of financial boundaries and allowances to be established. Also, from the influence of the 5<sup>th</sup> House, and the Moon itself,

children and maternal matters come into focus. *(Note: Diana became pregnant with William within the first year of the marriage. He was born in June 1982).*

**Conclusion: The Firdaria of this period clearly shows marriage, children and travel dominating Diana's life at this time.**

## Profecions

The word Profecion comes from the Latin *profecio* (to advance). Each year of life, the Ascendant and houses of the horoscope profect at the rate of one house per year. On the 1<sup>st</sup> July 1981 Diana's Ascendant profected to her 9<sup>th</sup> House, which is ruled by Mercury. You may recall that Mercury is in the 7<sup>th</sup> House of marriage. Therefore, we would have predicted that marriage was foremost in her mind at this time.

This is a life-changing transit involving the ending of one phase of life and the beginning of another. Some people experience this transit as “destiny calling”. It is as if you become aware of your mission or calling in life.

### **Transiting Pluto is passing through your 10th House**

During this period, which will last for several years, you have a real chance at making your mark on the world and gaining a measure of recognition and renown. However, you need to guard against over-estimating yourself or abusing any power you hold now, as the risk of suffering a fall from grace is ever-present.

### **Transiting Saturn is Square your Mercury**

This year your thinking will tend to be serious, realistic and practical. Your mind is not occupied with light and frivolous matters; instead, important issues need to be addressed. Possibly, you will be inclined to pessimism; certainly, if you have a tendency to worry, you will do so now. Try to keep a sense of perspective. Other people may seem unreasonable to you now and, possibly, they may challenge and block your ideas and opinions. The positive side of this transit is that your powers of concentration and your ability to sort out your priorities are stronger than usual.

### **Transiting Saturn Square your Sun**

This transit can bring increasing responsibilities into your life, coupled with feelings of tiredness and world-weariness. Arguments within partnerships or marriages are not uncommon.
