#### Individual Relationship Analysis

**Frida** has Leo rising. She is an ardent, expressive and devoted personality, who thrives on drama and adventure. She values consistency in her own life and in the character and behaviour of others. Her partnership house is ruled by Saturn, which is placed in the 8<sup>th</sup> house of loss and anxiety, suggesting difficulties and worries through the partner. She has Mars and Uranus in the 5<sup>th</sup> house of love and sex, indicating a likelihood of sexual escapades and sudden experiences in love. The 5<sup>th</sup> house ruler, Jupiter, is in her 12<sup>th</sup> house of secrets, implying secret affairs and longings in love. The Venus/Pluto conjunction indicates powerful experiences in love ranging from intense infatuations to upheavals in relationships.

**Diego** has Cancer rising with Saturn conjunct the Ascendant. He is a solitary person who needs to feel he is in control of his life and the lives of those close by. However, Saturn is debilitated by sign, so his ability to achieve such control comes at a cost. He has Mars in the 7<sup>th</sup> house of relationships indicating involvement with fiery and argumentative women. There is a strong emphasis on sex through the Scorpio ruled 5<sup>th</sup> house and the easy aspects between the Moon (women) and his 5<sup>th</sup> and 7<sup>th</sup> house rulers, and the Sun and Mercury in the 5<sup>th</sup>.

## **Analysis of Synastry**

Diego has his Mars and Venus connected to Frida's 5<sup>th</sup> house indicating sexual passion and artistic activity between them. His Ascendant is conjunct her Sun and Jupiter, which provides a strong bond between them. Their Moons are in the same sign indicating emotional understanding and endurance. Frida's Mars is conjunct Diego's 7<sup>th</sup> house cusp signifying a lively and feisty married life. There is good intellectual understanding and communication, but arguments can erupt at any time. Frida's Moon is conjunct Diego's Neptune and Pluto indicating the likelihood of emotional shocks caused by his actions. Diego's Saturn is conjunct Frida's Jupiter suggesting periods of discontent with one another.

**Conclusion:** This is a fiery pairing, drawn together by a mutual love of art and ultimately of one another. The depth of feeling between them is what sustains their union.

## **Analysis of Composite**

The composite chart has Leo rising which is indicative of a long-lasting and enduring relationship punctuated with periods of high drama and creativity. Together, they make a strong impact on the world and are seen as leaders in their field. The composite Moon is conjunct the composite Saturn in the 10<sup>th</sup> house signifying public recognition and emotional longevity, with periods of separation and dissatisfaction with each other. The composite Moon's South Node is in the 7<sup>th</sup> house of marriage indicating marital difficulties and a danger of destructive behaviour by both partners. The composite Uranus is in the 4<sup>th</sup> house of home and family indicating sudden upsets with or through the family and the possibility of unusual living arrangements. The composite Mars is in the 6<sup>th</sup> house of health and illness confirming the battle they both faced with Frida's health.
